
Title: A Call to Action

Author: For Justice

Gargoyle Brothers &
Sisters,

There has been a grievous
assault against the
Winged Brethren. The
Emmissaries of Queen
Zhah, The beloved Twin
Princes of Zoster have
been murdered
by the Human wingless
one called Charlotte
Welling & her band of
Humanists. They were on
a peaceful mission to
bring me congratulations
and were cut down in
their prime.

I accompanied the
Wingless Ones a few
nights ago incognito and
discovered that there is
a plan by the Humanist
mob led by Charlotte to
commit genocide against
all the Non-human races.
The mob called for
Charlotte to return and
carry out her bloodthirsty
plan.

Charlotte Welling has
been located hiding in the
Terort Skitas in Ilshenar.
We must entreat the
King to bring Justice for
the Twin Princes!

Charlotte Welling
must be tried for murder
and the Crux Ansata
must be purged of
Humanists if there is to
be peace.

Brothers & Sisters! Join
with me today

(Sunday, August 27th) at
the Castle Blackthorn
courtyard at 8:00 pm
EST to demand Justice
for the murdered Twin
Princes of Ter Mur.

Our Great Queen Zhah
cries for her children. Do
not Let her Down!

Draxsom Pri-Lem
Governor of New Magincia

Blackthorn Council of
Britannia
Blood Royal Prince of Ter
Mur.
